Notes:

- ¹ Starting with Fall 2025 cohort, students with 30+ credits will start the UHP curriculum on an Advanced Entry (AE) track, reducing total required credits to 19 (AE1=if entering with 30-59 credits) or 16 (AE2=if entering with 60+ credits).
- ² Also starting with Fall 2025 cohort, incoming UHP students with transfer credit for CTCM 2530 or who took CTCM 2530 prior to joining UHP may be waived from taking an Honors section of CTCM 2530; however, it is still recommended due to the meaningful experience of completing a mini-inquiry project. This serves as practice for the capstone.
- ³ A full semester or extended study abroad trip with at least 3 credits at the 3000- or 4000-level may count for one (1) HONR 37xx. If completing dual honors, students may count one 3000 or 4000-level course in disciplinary honors (not a capstone course) as an HONR 3700 credit. Request credit for both on the UHP Canvas page. Look for the hyperlinked "Curriculum" box.
- ⁴ HONR 3790 is only offered in the spring, and HONR 3791 is only offered in the fall. Disciplinary capstone courses typically have more flexibility. Students must apply to the disciplinary honors program to take their capstone courses (see individual program's website for details and deadlines).
